

§112 Rejection

Claim 8 was rejected due to a lack of antecedent basis for the phrase "the adjustment clip". The dependency of Claim 7 has been changed from claim 1 to claim 2 in order to provide proper antecedent basis for the language in Claim 8.

Incorporation of Allowable Subject Matter

Claim 6 was objected to as containing allowable subject matter. By this amendment, claim 1 has been amended to incorporate the subject matter of claim 6.

In view of the foregoing remarks and amendments, Applicant respectfully submits that claims 1 through 5 and 7 through 9, as amended, along with claims 18 through 20, define allowable subject matter. The Examiner is requested to indicate the allowability of all claims in the application, and to pass the application to issue.

Respectfully submitted,
(Laurie S. Lane)
